### **Car n. 8. Chris Atkinson / Stephane Prevot**

Car like yestarday, I'm not able to solve the handiness problem

### **Car n. 9. Jari Matti Latvala / Miikka Antila**

It is a pity for what happened yesterday when I did not see the big rock on the left turn. Today the car is ok, the only problem I have is that I'm one of the first and I clean the road to others.

### **Car n. 5. Manfred Stohl / Ilka Minor**

The feeling with the car is good and we have solved all the problems we had yesterday

### **Car n. 7. Petter Solberg / Phil Mills**

Bad day, It seems we have no back wheel drive

### **Car n. 2. Dani Sordo / Marc Marti**

I'm trying to make Henning Solberg under pressure, the cari s ok and I am satisfied

### **Car n. 10. Henning Solberg / Cato Menkerud**

Everything is quite good but the car is less performant than yesterday we have to set up the car in the service park.

### **Car n. 4. Mikko Hirvonen / Jarmo Lehtinen**

For me everything is ok. Stages are very difficult and I'm trying to do my best. Podium is my target.

**Car n. 3. Marcus Gronholm / Timo Rautianen**

I punctured during the 8th but I've not been able to change it 'cause I lost the spare tyre during the same Stage. I've driven the last stage with one tyre not performant.

**Car n.1. Sebastien Loeb / Daniel Elena**

This morning I was very motivated and I wanted to attack. At the moment I've been able to increase my advantage and the rest of the stages are clean so that I can use my C4 in the best way.

**Car. 45 P. Andersson / J- Andersson**

Slippery surface but now I'm leading, I'm really happy. The second Leg is always the most difficult.

**Car n. 32. Urmo Aava / Kuldar Sikk**

I've touched the back left during the 9th stage I've lost time. This means that my delay toward Andersson has increased.
