Car n. 4. Mikko Hirvonen / Jarmo Lehtinen

I've won this last stage. The car, after yesterday, is going ok. Our target is to maintain the position.

Car n. 3. Marcus Gronholm / Timo Rautianen

The S.Giovanni Stage is very difficult: wide and narrow points with very hard turn. I've spun at the intersection wasting precious seconds. It is very difficult to find the suitable rhythm and everything was easier in the 2nd and 3rd stage. I have known about Loeb's retire just at the end of the S. Giovanni Stage

Car n. 32. Urmo Aava / Kuldar Sikk

Everything is ok. Let's try to finish the race

Car n. 45. Per-Gunnar Andersson / Jonas Andersson
