END OF DAY 2 PRESS CONFERENCE

17 May 2007

Present:

Sebastien Loeb, Citroen Total WRT
Mikko Hirvonen, BP Ford World Rally Team
Jari Mari Latvala, BP Ford World Rally Team

Welcome to the End of Day 2 Press Conference.

QUESTION: It's been a really exciting day. These two guys have set an amazing pace - Sebastien, we'll start with you. Did you want to catch them?

SL: It was impossible. I hold a good position. I tried my best. I knew I would lose. Hopefully they stay in second. I hope.

QUESTION: You have won every single stage today on Day 2. That means you will start second on the road tomorrow, what does that mean to you and how do you feel?

JML: I am feeling good. Today we had perfect running position. I was pushing - we had a good drive and we were running well. For us, it was a perfect day. Tomorrow we start second, and Mikko third. We are not concerned, it doesn't matter too much. Tomorrow we will see how much faster we can go.

QUESTION: Tomorrow it's going to be really exciting. How much of a battle will it be with your team mate and with Sebastien Loeb?

MH: We are fighting all the time with Sebastien. We will see, he will be cleaning the road tomorrow as well, we see. It's going to be a big fight.

QUESTION: Both Fords are battling and the with just 29.4 seconds in lead. Is it enough to be able to hold of charge?

SL: I hope so. The best solution would be that they start together - if they start together on the stage it would be easier for me. I am happy to have this lead. If you look at the statistics it should be enough. I don't know. I'm happy. I will have to push and not to make any mistakes.

Thank you gentlemen. Good luck tomorrow. We are looking forward to an exciting day.
