

Rally d'Italia Sardegna

dal 15 al 18 Maggio 2008 – Guida per gli spettatori/Spectators Guide

Third day (signposted in yellow) – SS 17 Liscia Ruja

First driver: 14h10

Km: 2,69

Road closing time: from 8h00 to 17h00 on 18th May

Public zone: the full course of the race

Access road:

1. From Olbia follow the State Road SS125 direction Arzachena – Porto Cervo for 5,5 km, up to a big roundabout intersection,
2. Turn right onto the Provincial Road 73 direction Porto Cervo.
3. continue going in the direction of Porto Cervo for 7,5 km and turn right on to the Provincial Road SP94, in the direction of Porto Cervo,
4. After about 4 km, level with an wide bend on left which is followed by a straight road. On the right there is a petrol station, the only one along the Provincial Road SP 94. On the right you will find the gravel road which reaches the start of the Special Stage.

Notes:

If you respect the Special Stage closing time it's possible to enter and to park in several areas present in the second part; along the first part there aren't enough spaces to park your vehicles in a safety way.

In any case you must park accurately out of the road and you mustn't park in the run-off areas, because you could cause the cancellation of the Special Stage.

This Special Stage is very varied, characterized in the first part by a quite narrow carriageway, slow bends and soft roadbed. In the final part there are wider and faster bends with also a wider carriageway and the roadbed progressively harder.

Many opportunities of vision points and, depending on the place, the visibility is variable but always enough.

Note:

Don't try to reach the start and the finish of the Special Stage because, considering the scarce wideness, the interested roads will be reserved only for the transit of the racing cars and closed to traffic from 08h00 to 17h00.
