INTERVIEWS 2° REGROUPING SATURDAY

LOEB – I have pushed hard and I've a 30" advantage. Tomorrow my competitors will have less advantage than today, the two SS are very demanding, especially the second one, Sorilis. I expected Ford and Latvala would have caught up, now I have to manage my advantage.

HIRVONEN – I am very happy of my results, tomorrow I will start in third position and the race is still open. Latvala, Loeb and me will fight for victory until the end.

LATVALA – Tomorrow I will start in second position but I can win. Today I have done my best I was at 110% in the morning and at 100% in the afternoon to avoid any unnecessary risk. The race is still open.

MALCOLM WILSON – Race is still open, we are putting Seb under pressure and considering what happened last year, never say never.

MARTI' – Today has not been a good day, we have set up problem but we do not know why.

P.SOLBERG – The car is not driveable as it was this morning, it is incredible.

GALLI – I am happy, it has been a good day but hard and the second passage has been characterised by a cleaner surface. I have pushed hard and everything was ok except for a spin this morning, exactly where I did in 2004.

AAVA – I am just 5" late on Henning Solberg, tomorrow I'll try to overtake him.

H.SOLBERG – I'm seventh in the overall classification and i would like to get the sixth position. Tomorrow I'll fight hard.

VILLAGRA – I have lost time this morning for a brake's problem, then everything has been fine. I am satisfied, I like this race.

MATTHEW WILSON – Finally the car went better, we have put in place brakes and set up.

PG ANDERSSON – Car is ok. I spun in a crossing point in the next to the last stage.

RAUTENBACH – Brakes' problem during the 10th, I have hit the car in the 11th and during the 12th I have suffered for engine's problem.

PROKOP – I'm second in the overall classification in the Junior class for just half a second. Tomorrow it will be a great fight.

KOSCIUSZKO. I'm leading and I am sure to win my class. Tomorrow it will be a great fight with Prokop.

BETTEGA – In my opinion Prokop is going to win. For me everything is ok, I am third and this was my goal. There are a lot of supporters, this race is a celebration of the Italian Rally.

MARRONE – We are leading the Sardinian crews. The race is hard as always, yesterday I have damaged a part of the rear suspension, but today everything is ok. We have had much fun and the surface was good.

M. ORECCHIONI – I am seventh in the Trofeo Terra's classification and first between the sardinian crews everything is ok.
