Further to Stewards Decision No. 1 concerning the spare turbo-chargers for possible use by either car No. 11 or car No. 12, the Stewards have now received a fresh report from SUZUKI WRT that the turbo-chargers have still not arrived and are hopefully expected tomorrow morning.

Under these circumstances, the Stewards agree that the spare turbo-chargers may be sealed at the convenience of the FIA Technical Delegate either tomorrow morning or at any other time during the running of this rally.
