

TOP THREE CONFERENCE AFTER DAY 2 SUMMARY

Malcolm Wilson, Ford Team Principal

Q. Will there be team orders?

A. There will be no team orders, tomorrow the drivers will be free to fight for victory. For us it is however important to maintain the first two places. It is a good day for us because at last we have the chance to obtain a great result after a long time.

Olivier Quesnel Team Manager Citroen Total

Q. It was an especially difficult day

A. Yes it was, despite the miracle done by Sébastien of changing a wheel in the stage and losing only one minute. There is no possibility to make up time tomorrow.

Sordo's engine problems also prevent him from a better final place.

Q. How many tyre changes tests do you do to be so fast?

A. The drivers practice a lot during the year

JARI-MATTI LATVALA

Q. A comment on this day. You are leading after a good day.

A. It was a great day, I only had a great risk.

Q. Are You not afraid that there might be team orders in favour of Mikko?

A. There are no team orders, for now.

MIKKO HIRVONEN

Q. A good day for you too?

A. I tried to push to the maximum, I was only slowed down by some horses on a stage.

PETTER SOLBERG

Q. How is it going Petter?

A. I am very happy to be in this position. It is strange not to find Sébastien in the top three. On some stages I am very well, on others not so much. At this point I would like to invite the technicians of Citroen Team Total to help me to make my car faster, or to keep Sébastien behind.
