Rally d'Italia Sardegna - Day One

Info Service Park Olbia D

2 – Hanninen: A good first day, seeing the final position. I am fighting for the victory, the rally is still long. Tomorrow the stages will be very difficult and challenging.

3 – Meeke: I'm not happy with the engine, the stages were narrower and I never found the right feeling to drive. I am right behind Andreucci, but my car wasn't performing compared to Paolo's and the Skodas in the last two stages. I must change something.

5 – Andersson: I did well in both runs on Monte Lerno. I am getting to know the car, and giving it all I've got. If I was with a Super 2000 I could fight for victory.

6 – Kopecky: No problem. Car is Ok, the rally is still long, but it's difficult to say if tomorrow I will be able to fight for the victory.

10 – Neuville: For my first time with a Super 2000, I think I can be satisfied. The rally is very difficult, which does not forgive mistakes.

11 – Andreucci: For sure the Pirelli tyres helped me. I did the maximum to end the first day in the lead. Tomorrow I will start 10th, a good position not to lose time. The fight for the final win is very open: I will be there too.

16 – Trentin: Not a totally positive day. We hope to do better tomorrow.

8 – Magalhaes: Day one is over. A pity for all the time lost at the service for the brake problems: I hope to have fun tomorrow.

21 – Batistini: A difficult race, a pity for the minute I lost this morning behind Caviglioli. I hope to gain some time tomorrow.

26 – Dettori: If someone had told me beforehand, I would never have believed I could end day one in 11th overall. On the Monte Lerno stage I had some good times, we will see what happens tomorrow.

30 – Linari: A difficult day, with nice stages and landscapes which deserve the World Championship. Sardinia deserves to return to the WRC and we are sure that next year it will rightfully be part of it.
